

324 Cleveland Ave NW, in downtown Canton. From Cleveland and 3rd NW, go east 1 block to Court Ave. Just past Court on your left side is a parking lot. If that lot is full, there's on street parking throughout the area. There's also a lot just north of 4th and Cleveland that is a short walk to the office. (there is often no charge to park there after 1:30 pm or so.)

Enter through the rear door of the building. The back of the building is beige and has 324 on the door. There's a sign painted on the back saying cpsstatements.com (or something like that?) I'm up a flight of steps just inside the rear door, in suite 203-204
